JUDGES' PROFILES

Barbara LaRocca (QFA)

Barbara was introduced to and instantly fell in love with the Burmese breed in 1984 and began breeding under her Riokay prefix. In 1988 she decided to bred Abyssinians as well.

She has also imported Somalis and bred Burmillas, Tonkinese and Maine Coons. Barbara bred Supreme Exhibit winners in both Burmese and Abyssinians and has had numerous Best Kitten and Cats of the Year with QFA. She has twice proudly achieved Group 3 Prefix of the Year with QFA.

Barbara began training with QFA as a Shorthair judge in 1988. After judging for a couple of years she started training in Longhairs and in 1998 became an All Breeds judge with QFA. She has judged and continues to do so throughout Australia and New Zealand and has also judged in Kuala Lumpur, Germany and the Netherlands.

Barbara is currently Vice President of QFA Inc. Barbara was President of QFA Inc. from 2002 – 2015.. She is also currently President of Burmese Cat Fanciers Club of Qld and previously held the positions of President of the Abyssinian & Somali Cat Club of Qld and is currently the President of the Gold Coast Cat Club.

Her continued interest in the welfare and breeding of healthy, good natured cats is still a priority for her through her judging and still an immense pleasure which she hopes to continue for some years to come. For 10 years Barbara has been involved with the Qld Companion Animal Management Group instigated by the Animal Welfare League with the goal of working towards zero euthanasia of unwanted animals.

Fiona Mangan (NSWCFA)

Animals have always been important in my life. After growing up with the company of whippets, greyhounds and a succession of cats of varying descriptions, I became interested in cats in a serious way after forming a liaison with my first Abyssinians, a tawny and a silver, in 1989. Initially, it was just an involvement in showing cats. Breeding them soon followed, specialising in Silver Abyssinians under the Nivalis prefix. Today, we have a multi-cat household, each of them allotted time according to their need to love and be loved. All cats are special and each is unique, regardless of their ancestry.

I am a member of several cat clubs and have, for many years, been actively involved with the Abyssinian Cat Club of Australasia serving in roles including President, Secretary, Treasurer and Show Manager. Since 1998 I have been active as a steward, enjoying assignments in all groups. In 2003, I qualified as a Companion Exhibit Judge.

My pedigreed judging experience began with Group 3 (full licence 2010), followed by Group 2 in 2013, attaining my Shorthair Judge's licence. In 2016, I was completed my Longhair licence (Group 1) and am now fully licenced as an All Breeds Judge.

Currently residing in the Hunter Valley Wine Country region of NSW, I enjoy observing and learning about our local wildlife. Apart from my strong interest in all things feline, other interests include zoology, reading, embroidery, quilting.

Keith Harding (CATS Qld)

I started breeding Colourpoints about 20 years ago under the OZKI Prefix with my wife, Linda. We then moved on to Persians and Exotic tabbies, bi-colours, chocolates and vans with success.

I was invited to become a Group 1 judge which I completed in 2010 and have enjoyed judging at the CCCA National in Queensland and shows throughout Queensland, New South Wales, Victoria and New Zealand.

We imported the American Shorthair breed into Australia in mid 2012 and have been breeding and showing our black silver classic tabbies with great success.

I am currently undergoing a Shorthair Course. I have thoroughly enjoyed handling many beautiful exhibits and I have had the pleasure of meeting many exhibitors across the country.

Sue Thomas (NSWCFA)

From early childhood I have had a lifelong association with various domestic cats and also a Manx. My husband and I purchased our first Burmese in 1983. In 1985 we began showing, after purchasing two further neuter boys, both of whom were absolute family favourites with their wonderful temperaments. Further kittens were bought in 1999, and later and so continued the showing. I had made up my mind around this time that I would like to breed these gorgeous cats, however, this did not occur until 2006 when I purchased my first two breeding girls, and began breeding under the Sukimah prefix with some success on the show bench.

Stewarding followed, which I found to be a most rewarding experience, and one which enhanced my appreciation of other breeds. This in turn led me to studying for an all shorthair judge's license, which I now hold.

For some years now I have been and am the current secretary of The Burmese Cat Society of A'sia, and previously I was the treasurer for quite a few years. For a period of time I was also the minute secretary of the

Newcastle & Hunter Valley Cat Club Inc. I am a current member of the NSW CFA Inc Management Committee, and I am a member of both the Compliance/Education and Judges' Sub Committees.

In my private life I work as the fulltime practice manager of an accountancy practice. Among some of my interests outside of breeding and showing cats, are car hillclimbing, reading, gardening, my family and simply spending time with our beautiful cats.

Margaret Sim (NSWCFA)

I have always had cats, firstly moggies then my father bred Seal Point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, specially the Blue Burmese. When I settled down in Sydney I went in search of a Blue Burmese and ended up with a Lilac and Chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers. We moved out of the city to Moss Vale – we had space and time so I commenced breeding and showing in 1987 under the prefix Bima. I breed all colours of Burmese and love them all – my favourites are blue, red and blue tortie.

This led to stewarding which gave me a love of many other breeds and in 1994 I commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1. I have judged in most states of Australia as well as in New Zealand. I have been involved in clubs – club secretary, committee member and am currently President of the Burmese Cat Society of Australasia. I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows.

In my other life I am a registered nurse and midwife and currently work in a neonatal nursery. I have experience in management, aged care, education, women's health, aboriginal health, community health and paediatrics. My other interests are gardening, patchwork and quilting.

Lyn Thwaites (NSWCFA)

I have been involved in the cat fancy since 1971 and in that time I have successfully bred and shown Persian cats, and recently Siamese and Orientals, under the Perzeena prefix.

I bred the 1985 Longhair RASCC Male Cat of the Year (Db Gd Ch & CCCA Ch Perzeena Drifts Son (orange eyed white Persian) and I have owned other Cats of the Year and numerous Top 5 award winners as well. I have also shown a British Shorthair and a Devon Rex with success on the show bench for both.

In 1995 I was invited to become a Companion Cat Judge. This is an honour which I take very seriously and which I greatly enjoy.

I am actively involved in several clubs, including Kempsey Kat Klub of which I am a Life Member. I have also stewarded for many years and I have worked in the card room and on trophy tables of many affiliate shows throughout my time in the cat fancy.

I now live on the Mid North Coast of NSW, in the town of Kempsey, since moving from Sydney in 1995.

The Branxton Wine Country Cat Club is affiliated with the NSW Cat Fanciers Association Inc. The Show will be conducted under the Rules and Show Procedures of the NSWCFA Inc. A copy of such rules and procedures are available from the office of NSWCFA Inc. Phone: (02) 9834 6577 Email: office@nswcfa.asn.au Website: www.nswcfa.asn.au

 - just down this ramp take the left exit signposted to **Kurri Kurri/Singleton** and proceed on to join the Hunter Expressway.

- From the Hunter Expressway exit left at the Branxton Interchange - signposted **Branxton/Cessnock** - and follow around the roundabout, taking the exit signposted to **Greta**.

Travelling at the standard motorway speed the trip from the start of the M1 at Wahroonga to Greta takes about 2 hours.

- From the Upper Hunter Valley use the New England Highway to travel to Greta.
- From Newcastle area take the Newcastle link road to join the Hunter Expressway.
- From the North Coast travel towards Newcastle and navigate to join to the Hunter Expressway at an appropriate point.
