MEET OUR JUDGES

Lisa McNeil (FASA)

I grew up with Siamese, Burmese & companion cats from a very young age and was introduced to cat showing when my mother took me to cat shows, when we began showing our Lilac Tabby Pt Siamese who was our treasured and much loved pet.

In 1996 I then returned to cat showing with a Brown Burmese neuter and later a Seal Pt Siamese neuter.

In 2000 I started breeding under the 'Syana' prefix and have successfully bred and shown many Siamese & Orientals in all colours and patterns.

My special interests have been cinnamon, silver and tabby patterns particularly classic and about 7 years ago I added bi-colours to the mix after importing a Black Tabby Bi-colour carrying cinnamon from Finland, in order to try to broaden the cinnamon lines here in Australia.

In 2009 I completed a steward's course and in the last few years have gained my group 2 license and most recently in late 2019 I have completed my group 3 license in FASA.

Over the years I have been active in several cat clubs, most recently the Siamese Cat Club of SA in which I have helped run shows and assisted in other ways.

I am very proud to be a member of FASA and CCCA and I have thoroughly enjoyed my years in the cat fancy and hope I get to meet more like minded passionate cat exhibitors in the future.

Michele Ristuccia (FASA)

I am probably not as well known for my Burmese as I am for my Burmilla's, which I started breeding with GCCFV approval in 2000. As far as I am aware I registered the first Burmilla's in Victoria. I am passionate about development of the Burmilla breed in Australia, having supported 3 new breeders in a mentoring program and developing contact with Burmilla breeders in Australia and Internationally alike, enabling me to import two males from Europe after sending two over to Europe myself. Eventually I also exported to the USA, where they have been the fastest tracked breed into Championship in CFA USA. My Burmillas have achieved excellence here in Australia as well as overseas, and I am proud of my achievements with this breed. I started breeding cats because my husband bought me a brown Burmese to keep my company during the long hours while he was at

work as a chef. You know the story."we'll just have one litter and see if we like it" Well we did, and we were hooked. I have bred Burmese since 1995 now, and they are still one of my favorite breeds. Silver is my passion, experimental breeding and health a consuming interest, always questioning and wondering about the possibilities. I have contributed to many judges conferences over the years, especially with regards to the development of our two new breeds, the Burmilla and the Mandalay, which my husband also breeds under the Blackglama prefix. I have also recently started showing my two Griffon Bruxellois dogs and will have my first litter at the end of 2015. I am an adherent of breeding for conformation, the ideal of beauty and functionality. I qualified as a steward with GCCFV in 2004, stewarding or helping in some way at a lot of shows, I was a long term member of the Burmese and Other Shorthair Cat Club. I have served on Executive, and various Committees. I finished training as a Group 2 and 4 Judge in December 2005. I qualified in Group Three in of 2010 bringing me to All Shorthair and have completed quite a few Judging Assignments around Australia including an assignment at the 2009 CCCA National Show in Perth and several in New Zealand since 2012. I am also a Royal Canin Ambassador and enjoy representing this major stakeholder in feline health through nutrition at feline and canine events around Australia. Hopefully I will be able to contribute many more years to the Cat Fancy yet and maybe I will meet up with you at a show soon.

Nadine Savage (QFA)

Nadine entered the cat fancy in 1997 when she started showing desexed Persians but her love of cats started when she was 4 years old when she was given a Persian by her Aunty. Nadine and her husband Luke were granted their prefix Shonstar in 2000 and began breeding Persians in 2001. Since then Nadine's cats have won many best in show awards including Desexed Cat of Year and Supreme Exhibits at national level.

Nadine began her judges training with QICC becoming a Companion Cat judge in 2002. She later began Longhair (Group 1) training which was completed with QFA Inc in 2007. Nadine has judged in NSW as

well as Queensland.

Nadine has much experience in grooming Persians, running cat shows and has held many positions at Council and Club level. Nadine took a break from these positions when she and Luke had their first child Ryan in January 2007, then extended their family in 2011 with the birth of their Twin Daughters Grace & Isabelle. Nadine hopes one day to become an All Breeds judge and apart from Persians she holds a soft spot for Birmans and Burmese.

Tony Hurrey (CatsNSW)

Our feline friends have been a part of my life since early childhood. Even an asthmatic allergy to cat hair could not lessen my love, devotion and involvement with cats. Aged 13, I was granted my Breeder's Prefix, Kalinya thereby entering me in to the pleasures and heartaches of breeding and showing Siamese. During my teenage years as a junior member of Illawarra Pedigree Cat Fancy I worked as a Steward and wherever else I could be of assistance. My breeding and showing life was interrupted for a longer than expected period by my human breeding programme.

Resurrecting my Kalinya prefix in 1990, I resumed feline breeding with firstly a "rescued" lilac Burmese then British Shorthair and since 1991, my first love, Siamese. Promoting our cats around NSW has been and continues to be of immense pleasure.

In 1996 I successfully passed my Steward's exam and now thoroughly enjoy working in this role handling and learning about all the breeds and meeting and working with all of my fellow Cat enthusiasts.

I am a member of Riverina, Illawarra and Highlands Cat Clubs and have taken many roles with each of them including Club President, Club Secretary and Show Manager.

By gaining my Judges Licence for Group 2 (2003) and Group 1 (2007), I have given myself the opportunity to share my knowledge and training with exhibitors and to continue to promote the responsible ownership and breeding of cats.

Deborah Cameron (CatsNSW)

I have been involved in the cat fancy for over 30 years, being introduced to the cat fancy by my mother.

I bred and showed Persians including silvers, pointed varieties and bi-colours and of course like many others, devoted time working at cat shows.

My house has the bounce of the shorthair Singapura and the beauty of the Persian.

I have held a number of executive positions within the cat fancy and previously, served on the NSW CFA Management Committee.

I am an All Breeds Judge and a Group 1 Tutor Judge.

I work full time in local government managing a large team of community workers and at home I enjoy the company of my daughter, my cats and my dog, Eddie.

Margaret Sim (NSWCFA)

I have always had cats, firstly moggies then my father bred Seal Point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, especially the Blue Burmese. When I settled down in Sydney I went in search of a Blue Burmese and ended up with a Lilac and Chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers. We moved out of the city to Moss Vale, we had space and time so I commenced breeding and showing in 1987 under the prefix Bima. I breed all colours of Burmese and love them all but my favourites are blue, red and blue tortie. This led to stewarding which gave me a love of many other breeds and in 1994 I commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1. I have judged in most states of Australia as well as in New Zealand. I have been involved in clubs as club secretary, committee member and am currently President of the Burmese Cat Society of Australasia. I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows. In my other life I am a registered nurse and midwife and currently work in a neonatal nursery. I have experience in management, aged care, education, women's health, aboriginal health, community health and paediatrics. My other interests are gardening, patchwork and quilting.

Maureen Camarsh (NSWCFA)

I joined the Cat Fancy with my husband in 1976 with the purchase of a Red Point Siamese kitten. After successfully showing and breeding Red Points for some time, we ventured into all other colours and patterns of Siamese, still with emphasis on Red, Tortie and Tabby Points with the addition of Foreign Whites and Orientals. We then bred and showed Balinese with some measure of acceptance and success. I currently breed Foreign Whites and Siamese with the addition of the Longhaired Foreign White. I have bred and owned many Best in Show winners and Cats of the Year in this group. I have also bred and shown with great success Abyssinians, Devon Rex, Cornish Rex and Burmese – these also featuring in many Cat of the Year Awards. Although I no longer breed Cornish Rex I still own and show with some measure of success three Cornish Rexes a Male, Neuter and Spay. I have bred under the Fretomau prefix for over 30 years. I also owned a black Persian and successfully bred from her. I am a Life Member and Secretary of the Federal Cat Club of Australasia Inc, a Life Member of The All Breeds Desexed Cat Club of Australasia and presently President of Kempsey Kat Klub and actively involved in other country Clubs, having moved to Woolgoolga on the NSW North Coast. I am an international all breeds judge having completed my shorthair licences in 1988 and Group 1 in 1998. Since then I have judged extensively throughout Australia and New Zealand and am an All Breeds Tutor Judge. I am a Life Member of the NSW Cat Fanciers Association.

Nikki James (NSWCFA)

I come from a family of cat lovers and therefore have always had a cat to curl up on my lap since childhood. I developed a love for the elegant and talkative Siamese as a teenager, and when I was 15 acquired my first red point male, Conan, in 1990. I showed him as a member of the RAS cat control for 2 years and he sired a few litters with my mother's seal point female under her prefix, "Eronel". I returned to the cat fancy in 2005, showing a beautiful blue point female as a member of the NSW Cat Fanciers Association. I started my breeding journey with her in late 2005 when she had a wonderful litter of 6 kittens from an Oriental stud under my prefix, "Zoel". I still have a neuter boy, Zeus, from that first litter who enjoyed many years on the show bench. My late mother also enjoyed participating in the cat fancy as a member of NSW Cat Fanciers Association and accompanied me to most shows, initially showing a black Oriental neuter, Romeo; he was born in my first litter, and later exhibiting some other beautiful show neuters she spoilt over the years. I am proud to have achieved many top 5 cat of the year awards and have had the honour of achieving a Supreme Exhibit award. I continue to breed Siamese and Orientals and remain active in the cat fancy as an exhibitor and worker. I qualified a (Stay Application) steward in 2007. I have a small cattery and breed my kittens for health, temperament and show quality. Currently my cat family consists of 5 felines. I have been a member of the Oriental Cat Club of NSW for many years, assisting as show manager and serving as club treasurer, a position I still hold. I attained my Probationary shorthair judge's license in 2015. I consider myself privileged to admire, handle and judge the show

exhibits and have developed an appreciation for the diversity of exhibits in Group 3. In my normal life I am a mother to 5 children, with 3 boys still living at home and ranging from 17 to 5 years who keep me busy and our cats entertained. I am halfway through studying for a bachelor degree in Midwifery at UTS. Living and growing up on the Northern Beaches I usually spend most of summer as a beach bum, reading a good book, when not attending cat shows.

Rhonda Watson (NSWCFA)

I am an All Breeds Judge with NSW CFA, on the judging panel for CCCA and I am an Accredited All Breeds Tutor Judge. I have helped with the training of many NSW and interstate Judges. I have judged throughout Australia and New Zealand where I have made many friends throughout the Cat Fancy. I enjoy my judging assignments and consider it a great privilege to be invited to judge and handle so many beautiful felines and such a variety of breeds in Australia & overseas. The first pedigreed cats I owned were two neutered pet Chinchillas which I learnt to groom & care for on a trial by error basis. In 1975 I purchased two Seal Point male kittens which the breeder urged me to show. After winning two Best in Show awards with Nikolas I neutered Czar, purchased a SP female and started breeding my Sucheng Siamese. Since then I have bred many Seal Point & Blue Point kittens and have imported cats carrying famous UK & NZ bloodlines to improve my Siamese breeding stock. I have always been intrigued with Abyssinian cats. This is a cat which is difficult to judge and a challenge to breed so I took up the challenge and imported a Tawny Abyssinian female from NZ. Since then I have bred and shown Tawny and Cinnamon Abyssinians. I was President of the Siamese Cat Society for many years in 1996 I resigned from that position to become President of the Siamese & Shorthair Cat Club. This club features at its annual Championship Show, special rings for nominated breeds, plus Top 10 best in show awards in the VIP Ring as the highlight of the show. The other specialist Breed Clubs I support are the Abyssinian Cat Club, the Burmese Cat Club, the Oriental Cat Club and the Bengal Club. I have been involved with the Australian Mist Breeders Association, as a member and have worked closely with Dr Truda Straede during the formation of this popular breed and am now their Patron. Creating a new breed is a challenge and it has been a great pleasure to have been involved with the Burmilla Breeders Association helping with assessments of their cats and kittens during their quest for full breed recognition. I have been a member and registered breeder since 1975. I was elected to the Consultative Committee RAS Cat Control in 1984 and remain a member of the current Management Committee. During those 22 years of service I have been involved with fundraising & was responsible for organizing Cat of the Year Luncheons and Champion of Champion dinners for many years. I have also been involved in training classes for Shorthair Judges, Domestic Judges and Stewards. I have been a delegate for CCCA meetings and have worked on the Breed Standards Committee and the Judges Training Committee. My goal is to see a United Australian Cat Fancy where all the controls work together to promote the breeding and showing of our pedigreed cats.

Debbie Thomas (CatsNSW)

I have been involved with the Cat Fancy for over 15 years and my first exhibits were companion cats. I love all breeds of cats but have particular interest in the beautiful Somali. I have bred both Somalis and Abyssinians under the Nareira prefix and have had success on the show bench with both of these breeds although I am now concentrating on the Somalis. I am an accredited steward and have worked at shows in various capacities. I am also an active member of 3 cat clubs and hold Executive positions. I began as a companion judge in 2003 with the NSWCFA and I now look forward to new assignments with Cats NSW judging their beautiful cats and kittens.

Sharyn Yelland (NSWCFA)

I first started showing cats in 1984 and quickly became a steward, stewarding consistently over the last 12 years. I am currently a member of the NSW CFA Stewards Committee. I enjoy all my stewarding assignments and the chance to handle all breeds of our lovely cats. I think that the NSW CFA has a wonderful Companion Cat Standard. I breed and show Patched Persians under the Ardara prefix.

Any change to the sex or colour/pattern or the title of an exhibit after an entry has been lodged must be submitted in writing to the Show Secretary together with a copy of the amended Certificate of Registration no later than one week prior to the show date unless arrangements have been made with the Show Secretary to provide the changes at a later date. No changes will be made to the catalogue or judging slips on the show day.

CLAWS TO BE CLIPPED:

The front and back claws of each exhibit must be clipped. Judges may class an exhibit as Not in Show Condition (NSC) when the claws are not adequately clipped.

VETERINARY INSPECTION:

Each exhibit must be inspected by and pass the Veterinary's Officer's inspection before being allowed to be benched in the show. Exhibitors are to handle their own cats at the vetting table.

VACCINATION OF KITTENS:

All kittens must be vaccinated and at least one vaccination must be administered by a qualified veterinary practitioner. Exhibitors must produce documentary evidence (valid vaccination certificate signed by a qualified vet) for each kitten, and a vaccination shall have been carried out not less than 14 days prior to the date of the show. Failure to produce a valid vaccination certificate at vetting may result in a single vet out for the kitten concerned. (See also Show Procedure 6.3 c.)

AGGRESSIVE EXHIBITS:

A Judge or Steward is not required to handle any exhibit showing signs of aggression. Owners have a duty of care not to bench any exhibit that has a reported history of fractious behaviour. The Show Manager in consultation with the Show Representative may request the removal of any such exhibit from the show.

WCFA CAT/KITTEN OF THE YEAR AWARDS:

To be eligible for Cat of the Year award a cat must be in the continuous ownership of a NSWCFCA financial member throughout the year. Points are awarded based on the Top Five results at a show – 1st -10pts; 2nd – 7pts; 3rd - 4pts; 4th – 2pts; 5th – 1pt.

Note 1. Where an owner becomes a member after the start of a calendar year, points will only accumulate from the date the membership application is processed by the NSW CFA Office.

Note 2. If during the year a cat is transferred to a new owner who is not a member, the cat's ownership by a financial member will be deemed continuous provided a membership application from the new owner is received and recorded by the NSW CFA Office within 4 weeks of the date of transfer, otherwise note 1 shall apply.

Note 3. Where an interstate, Cats NSW, or ANCATS exhibit gains a Top Five placing, then that placing remains awarded to that exhibit and the placing of NSW CFA exhibits is not altered.

Thank you for considering placing an entry in our show. Before you enter any exhibits, we would like you to consider the following information that we have put together in order to make the show pleasant for everyone.

This will be an open show and exhibitors will be allowed in the show hall throughout the day and will be able to watch their exhibit(s) being judged from the allocated seating areas.

We will be operating in a completely different environment from shows prior to the outbreak of COVID 19.

Please follow the guidelines in the show hall to comply with requirements relating to physical distancing.

PLEASE:

1. Display patience at all times during the show to EACH and EVERY person in the hall.
2. Please follow the directions of show officials during the show, at all times.
3. Remain seated unless you are using club amenities or attending to your cat (at the direction of the Bay Manager).
4. Observe physical distancing and sit in the same seat that you have chosen. You will place your name on this seat, which will be with your Vetting In Slip (A4 sheet of paper).
5. Sanitise your hands regularly.

You may find that the new requirements are frustrating and that show participation is not the same as before. It WILL take longer to set up at the start of the show and to leave at the end of the day and time spent with your cat to groom for presentation will be limited to a small window – REFER POINT 1.

We need your patience and co-operation. There will be teething issues, as this is our first time organizing a COVID SAFE Cat Show. Please provide polite and honest to goodness suggestions when things don't go as planned.

The Show Manager reserves the right to ask any exhibitor at any time to leave the show hall with their exhibits if they are not complying with the new requirements. In this event the exhibitor's exhibits will be disqualified.

Advisable to wear a mask when in the ring/bay or if standing watching judging.

Judging

17. Judges are required to steward their own exhibits.
18. The Bay Manager/Steward will assist the Judge with any queries relating to the exhibits or judging processes to provide refreshment such as water and hot beverages and to provide any other assistance the Judge requires. The Bay Manager /Steward may assist or arrange assistance for the Judge in the handling of a fractious or otherwise difficult exhibit.
19. Only the Bay Manager or the Steward and the Judge may be present in the bay throughout the day once benching is complete until departure at the end of the day. This includes when there is no judging occurring in that bay.
20. At their discretion, the Bay Manager/Steward may permit an exhibitor to enter the bay to attend to their exhibit. This includes cleaning a soiled cat or to place or remove a water bowl in the cage in between judging rings. If permitted into the bay by the Bay Manager/Steward, the exhibitor will be expected to attend to their cat quickly – within minutes.
21. Exhibitors need to seek approval of the Bay Manager/Steward if they wish to enter the bay for a purpose as above, at any time during the day after benching– this includes while there is no judging in that bay.
22. Consistent with current practice, the Judge may, at their discretion, call Exhibitors into the bay to present their exhibits for their top awards. The Judge should call no more than three (3) exhibitors into the bay at any time and all should ensure that the Exhibitors and Judges remain 1.5m apart at all times.
23. No prizes will be handed out in the bay. Exhibitors should take their award card and collect prizes from Ann, the Trophy Steward, at the prize table. These prizes should then be placed immediately in your car and not placed in the bay. Once you have collected your prize please return your Award Card to the Bay Manager.
24. Lunch break for Judges and Workers will be staggered and all will be required to adhere to 1.5m distancing while seated for lunch.

End of Show and Departure

25. Award cards and certificates will be placed on show cages as usual.
26. Awards, especially any prizes, should be placed in the Exhibitor's car as soon as possible at the direction of the Floor Manager, to assist with departure at the end of the day.
27. Departure – removal of cats from show hall – will also be staggered. The Bay Manager will manage exhibitors in their bay and will call in exhibitors as soon as the previous exhibitor has exited the bay.
28. Exhibitors may be permitted to depart the show hall at the completion of judging and prior to best in show presentations in accordance with point 26 above, and with the approval of the Floor Manager. Removal of exhibits not included in the Best In Show presentations will be advised of such and can decide if they would like to leave early or they may remove their exhibits from the show hall and return to watch the Presentation.
