9 AGENDA ITEMS

- a. **Meeting with ACF - 30 October 13**  
Attendance - ACF Diana Davis, Lesley Morgan, Nell Evans  
- CCCA Anne Eckstein, Cheryle U'Ren, Lorraine Vahland  
Cheryle U'Ren reported back on the areas discussed:  
Joint Shows  
While it was agreed that this was a good idea it is not possible at this time due to a number of factors,
  - ACF hold a one day show only with a business meeting on the second day, CCCA generally has a two day show.
  - ACF recognise a number of breeds not recognised by CCCA.
  - Sponsors of both shows are different.It was proposed that neither bodies members would hold a show on the same weekend as the National shows and to put the dates of both Nationals on their websites.  
-----  
*It was agreed not to hold a shows on the same weekend as the National shows and to put the dates of both Nationals on member websites*  
  
CATS NSW  
ACF notified the meeting of a new body CATS NSW and requested that CCCA consider recognition of this body.  
-----  
Documentation provided by ACF regarding the formation of CATS NSW was discussed. Due to the body being provisional it was decided to "Not to recognise them at this time however CCCA may reconsider the recognition of CATS NSW when their provisional status expires with ACF in June 2015.  
Cats may be shown by Cats NSW exhibitors as long as pedigrees are verifiable.  
  
Mutual Recognition Policy –  
Proposed format – To recognise, member bodies, registrations and judges and awards..  
-----  
Will need to be rewritten as this conflicts with current CCCA policy etc  
  
What are the obstacles to accepting this and what changes would they suggest  
Suggested rewording to be sent to the secretary, To be addressed at the June meeting

Disciplinary Measures.

FIRM agreement that members of both bodies honour others disciplinary measures.

-----  
Affirmed

Transfer of Cats/Kittens Process

It is the responsibility of member bodies' breeders that they do the transfer paperwork of cats/kittens in own member body before sending it to new body, this is not always being done

-----  
Noted

CCCA titles for ACF registered cats:

ACF is to send their CCCA upgrades to ACF bodies for checking, then to be forwarded to CCCA secretary – not to CQI as previously has been the practice.

-----  
New application form for ACF members now on website

Breed Standards

ACF to set up breeds committee, to notify CCCA chair when known. Cheryle U'Ren to be on committee

1. ACF propose that the Australian Bombay – which is bred from British and European Burmese be classified as Mandalay

2. ACF propose that Cinnamon/Fawn Burmese that have Mandalay behind them have an 8 generation pedigree submitted before registration. Breeders importing or buying Burmese from ANCATS/NZ require an 8 generation pedigree..

-----  
Member bodies to send to the breeders for comment

Health & Welfare update on Health & Welfare committee

Membership to consist of 2 members from each body to be nominated. It was suggested that the first issue to be looked at would be current animal legislation in each State/Territory.
