THE CCCA

The CCCA is a national body that was established in the late 1970s to address the need for unification among several of the largest cat control bodies in Australia. The CCCA Inc. now has affiliates in most states that support the national uniformity of policies for the conduct of shows, training and appointment of judges, registration of cats, definition of classes, and the awarding of championships. JUDGES PROFILES

TEO VARGAS HUESA

(CFA All breeds Judge from Spain (Málaga))

About me in the cats world: I was breeding and showing

Exotic Shorthair cats (D'ARNAUD) and Persians cats (DE SILSANOS) for more than 12 years with the Cat Fancier's Association.

I was Clerk for many years and also the 1st Master Clerk from Spain in Europe.

In 2016 I applied to the CFA's Judging Program starting with

LH (Breeds I've owned and showed: Exsh, Persians, Mcoon,

AmCurl LH), after with SH (Breeds I've owns and shows: Aby, HB, CRex, Bsh, Sia) At the moment and since June 2022 I'm CFA All breed Judge.

I have judged cats for CFA in Europe (Russia, Estonia,

Germany, Belgium, Finland, Italy, The Netherlands, France, Spain) and also in United States, China, Thailand, Indonesia and Malaysia. I have also guest judged in Malta for WOC and in Germany for independent organization.

It's an honour for me to have been invited to judge the CCCA National Show on 13th - 14th July 2024 in Adelaide, South Australia.

DANIEL GERMISHUYS

(South Africa)

I have been involved in the Cat Fancy for more than a quarter of century in one way or another. I have started off as an exhibitor and slowly but surely progress to Runner, Steward and Awards Table.

I was asked to join a Club Committee and things start escalating from there – very soon I found myself with a portfolio of different positions on the committee and for years I have been a Show Manager and served in various other capacities on several committees.

Served on the Executive Committee first as Secretary, then as Show Administrator and later as Chairman of the Cat Judges Executive, Breed Council and also as Registrar.

In the interim I joined the Judges Course somewhere in the 90's and around seven plus years later qualified as an All Breeds Judge.

I am a member of the IJN, affiliated to the South African Cat Council.

I have been fortunate in being invited to judge not only in my own country but also in Germany, Austria, Italy, Australia, Malta, China, New Zealand and the USA.

I have owned and bred Siamese, Oriental, British, Persians and Exotics. I no longer breed but still have a British, Exotic and Devon Rex in my house along with a couple of dogs.

JOHN SMITHSON
(New Zealand Cat Fancy)

Since early childhood, John Smithson has enjoyed a passion for writing, art, history, and cats; and has been actively involved in all these spheres for his entire life.

John became involved in the Cat Fancy in the late 1970's, and began breeding and exhibiting cats, holding offices in numerous clubs around New Zealand and in 1985 became a licenced Judge for the NZCF. He has bred numerous Grand Champions across a wide range of breeds and in 1992 was elected National President of the NZCF. He has been active as a Judge nationally and internationally for 39 years, and is still active as a Tutor.

As a cat fancier, he became interested in Harrison Weir (The Father of the Cat Fancy) and began researching his life. Enamoured with this Victorian era artist and illustrator, who seemed to share passions similar to his own; over the next 20 years he collated the world's largest repository of this British listed artist's original art, letters, period prints, photographs and book

plates related to the life and works of this singularly unique man. This now forms the basis of The Harrison Weir Collection, of which John is the curator.

Invited to serve on the Board of the CFA Foundation Inc, which manages the Feline Historical Museum in Ohio, John has collaborated with the Foundation in developing online historical resources for feline history buffs, such as The History Project (www.cat-o-pedia.org) while simultaneously establishing his own publishing brand under the A-CAT-EMY CONCEPTS banner; promoting cat-related digital publications and collaboratively producing books. He has judged world-wide, was a licenced CFA Master-Clerk and served as a Guest Judge while living in the United States. He is known for his meticulous application of the breed standards and for his passion for all breeds and their developmental history.

**FIONA MANGAN
(NSW Cat Fanciers Association)**

Animals have always been important in my life. After growing up with the company of whippets, greyhounds and a succession of cats of varying descriptions, I developed a serious cat interest after forming a liaison with my first Abyssinians, a tawny and a silver, in 1989. Initially, it was just an involvement in showing cats. Breeding them soon followed, specialising in Silver Abyssinians under the Nivalis prefix. Today, we have a multi-cat household, each of them allotted time according to their need to love and be loved. All cats are special, and each is unique, regardless of their ancestry.

I have been a member of several cat clubs and, for many years, involved with the Abyssinian Cat Club of Australasia serving in roles including President, Secretary, Treasurer and Show Manager. Since 1998 I have been active as a steward, enjoying assignments in all groups. In 2003, I qualified as a Companion Exhibit Judge.

My pedigreed judging experience began with Group 3 (full licence 2010), followed by Group 2 in 2013, attaining my Shorthaired Judge's licence. I completed my Longhaired licence (Group 1) and was granted full licence as an All-Breeds Judge, in November 2016.

Currently residing in the Hunter Valley Wine Country region of NSW, I enjoy observing and learning about our local wildlife. Apart from my strong interest in all things feline, other interests include zoology, reading, embroidery, quilting and music.

KERRITH WILKINSON
(Feline Control Council Victoria)

My love for felines continues today with my pet, a black tabby rescue cat. He is a wonderful friend who brings much enjoyment to our family.

I was introduced to the cat world in the 1970's and began showing with my first show cat, a Blue Tabby Point Siamese called Budaya Blue Charro. I then fell in love with British Shorthairs and obtained my first blue girl, Barraby Miss Tiggywinkle. I continued to show and breed British under the prefix Romsey in the 1980's.

I enjoyed learning and participating in all aspects of the Feline Control Council of Victoria (FCCV) organisation. From the paperwork, stewarding, running shows, and finally becoming a judge. As I didn't like parting with my kittens, I stopped breeding and still enjoy cat shows by judging.

I have always been a member of the FCCV and over the years have been a member of the Shorthair Cat Club, Yarra Valley Cat Club and assisted running FCCV Feline Health Shows raising funds for Feline Health. I have been and still am involved with many aspects of the "Cat World" such as attending CCCA meetings, running both National and FCCV Judge's seminars and Judge's training courses, speaking at Stewards' programs and am a member of the FCCV Judge's Subcommittee. I have just recently been involved in creating a CCCA National Judges' Course.

I became a Group 3 judge in 1990, gained my Group 2 licence in 2004 and my Group 1 licence in 2010 making me an all-breeds judge. I am currently a CCCA All Breeds Tutor Judge and judge for many clubs within Victoria, interstate and overseas.

I have met many lovely people over the years who I now call my friends. What I find most enjoyable is judging a well-loved feline who is happy to be on the show bench.

CCCA/FCCV All Breeds Tutor Judge

CHRIS MERRITT
(Cats Queensland Inc)

I began breeding pedigreed cats in Townsville, North Queensland, approximately 45 years ago under the Kavadh prefix. At that stage, I bred Persians in several colours and patterns but particularly specialised in "colour-bred" cream, blue and bluecream Persians with considerable success. A few years later, with my husband Terry, I began to breed British S/H under the Carinya prefix and was very successful on the show bench. From there, we embarked on a program to breed Exotic S/H's experimentally. We continued to breed British and Exotics until we moved to Toowoomba in 1994 when I was

planning to retire from breeding cats. This is where the love affair with Burmese began. We also reestablished our breeding program of the beautiful British S/H. After breeding the beautiful Burmese & later Mandalay under the JOVELLES prefix, this program has just recently been concluded with all lovely cats desexed and rehomed. We still, however, will continue to breed British Shorthairs under the CARINYA prefix.

JUDGING:

I became a Group 1 Judge in 1986 and an All-Breeds judge in 1992. I have judged throughout Australia and New Zealand on many occasions. As well as judging in South Africa, I have also been fortunate to have many opportunities to judge as a CFA Guest Judge throughout Asia over the last few years. I am also on the All-Breeds Guest Judges Panel of ACFA USA.

I am an All-Breeds Tutor Judge with Cats Queensland Inc. and am on the CCC of A Tutor Judge's panel. I am currently the CCC of A President working with a great team of people. I am also on the Management Committee of CQ Inc. and also hold the

CCCA NATIONAL CAT SHOW 2024 – ADELAIDE

positions of Honorary Registrar & Membership Officer. For the past few years, I have held the position of Vice President of the Exotic Cat Club of Queensland Inc. and I am also member of the Curly Coats Cat Club of Queensland Inc.

More personally, I am married and have 3 grown children. Two are married and there are currently 11 grandchildren and 2 great grandchildren. I am a retired primary school teacher and beside my family and cats, I love going to the movies, reading, cooking and gardening. Also, cruising is my favourite way to holiday. With Terry, we also operate a small boarding cattery on our 6-acre property in beautiful

Toowoomba.

GREG LITTLE

(Cat Control Council – Tasmania)

I started in the cat fancy in 1980 when I bought a chocolate oriental for my wife.

We bred Siamese and Orientals for about 5 years.

For our 10th wedding anniversary my wife bought me an Abyssinian and we showed and bred Abys under the Devaraja prefix for 25 years.

I have also owned Japanese Bobtail and bred and shown Norwegian Forest Cats.

I completed my Group 3 judging licence in 1995 with FCCV.

In 2001 we moved to Hobart in Tasmania.

In 2005 I completed my Group 1 judging licence with CAT Inc and became an all-breeds judge in 2008 following completion of my Group 2 licence.

I am currently licensed as an All-Breeds judge with the Cat Control Council of Tasmania (CCCT) and am CCCT's delegate to the Co-ordinating Cat Council of Australia. I also am on the CCCA Breeds Committee.

I have been privileged to have judged in all States and Territories in Australia as well as New Zealand and Malaysia.

TROY WILLEMS

(Feline Control Council Victoria)

Born and raised in Queensland, I have always been an avid animal lover, with a particular passion for cats. My childhood was filled with the joy of raising an array of pets, from dogs and cats to guinea pigs, birds, and even tropical fish. Our family pets were always lovingly adopted, regardless of breed, and they became cherished members of our household.

In 2005, my life took an exciting turn when I stumbled upon an article about Bengal cats. The concept of these domesticated hybrids with Asian Leopard Cat lineage instantly captivated me. Following extensive research, I knew I had to introduce these magnificent felines into my life. In early 2006, I joined the FCCV as a breeder, operating under the Voodoocatz prefix, and soon acquired my first breeding pair.

My journey into the world of cat shows began in late 2006, showcasing my first male. Although he was not suited for the show bench, I persevered and found success with my home-bred show cat, Voodoocatz Khanji. Khanji possessed the perfect temperament and thoroughly enjoyed every aspect of the show circuit, eventually achieving the prestigious titles of CCCA Champion and Emerald Grand Champion.

Alongside my involvement as a breeder and exhibitor, I delved into the world of cat stewardship with the FCCV, where I had the privilege of working with esteemed domestic and international judges. An exciting opportunity to undertake the Group 2 & 3 judge's courses presented itself, and I eagerly embraced the challenge. I successfully obtained my open judging license for Groups 2 & 3 in January 2017, and I relish the opportunity to evaluate short-haired cats at events nationwide.

CCCA NATIONAL CAT SHOW 2024 – ADELAIDE

Currently, I am dedicated to expanding my expertise as I pursue my Group 1 judging license. With determination and passion, I aim to complete my Group 1 studies by the end of 2023, ultimately becoming a certified All Breeds judge for the FCCV.

My journey from a childhood surrounded by beloved family pets to a dedicated judge in the world of feline beauty and grace has been a remarkable and fulfilling one.

SUE THOMAS

(NSW Cat Fanciers Association)

Since early childhood I have had an association with various domestic cats including a manx. My husband and I purchased our first Burmese cat in 1983. In 1985 after purchasing two further neuter boys, we began showing our cats. These three cats were absolute family favourites and with their outgoing natures, loving personalities, and absolute devotion to us all, it happened that my fate as a Burmese owner was sealed.

A further cat joined us in 1999, and so continued the interest in showing. I had made up my mind around this time that I would love to breed these gorgeous cats, however this didn't occur until 2006 when I purchased our first two breeding girls, and so began our breeding programme under the Sukimah prefix, which, over the years, has had some success on the show bench.

Stewarding seemed a natural progression of my interest in cats, which I found to be most rewarding. This activity gave me a close up look at the other breeds of cats on the show bench, eventually leading me to successfully completing the Shorthair group judging course. I am presently extending my training in our Group 1 judges training programme, and at the conclusion, hopefully I will qualify as an all breeds judge.

I am currently serving my 3rd term on the NSW CFA Management Committee, and am a member of the Compliance/Education, Judges' and Show Sub committees. My involvement in cat clubs is as a member of The Burmese Cat Society of Australasia Inc, acting firstly as treasurer for some years and then since 2011, I have been the secretary. I am also co – editor of our Society's magazine. I enjoy membership of five other cat clubs.

My "outside" life is taken up by full time work as a practice manager in an accountant's practice. I enjoy reading books, being outdoors, gardening, spending time with my family and friends and also enjoying the company our gorgeous cats.

BARBARA MARTLAND

(Feline Association of South Australia)

I began my life in the cat fancy in 1971 when I purchased a Persian female kitten.

My prefix Arrakish was registered and I began showing and breeding Persians.

I gained my longhair licence around 1980 and in 1991 I changed from Persians to breeding Exotics and came to FASA.

I completed both groups 2 & 3 training to become an All-Breeds judge with CCCA.

My huge passion is breeding and showing Brown Tabby Exotics.

The last years have been spent helping train new judges and being President of Fancy Felines SA.

I look forward to judging at this prestigious show.

Barbara Martland

Senior All Breeds Tutor Judge

MICHELLE HINDER

(Feline Association of South Australia)

I've loved animals my whole life, horses, and cats in particular, and fell in love with the Burmese breed early on.

In 2006 I purchased our first cream Burmese. I knew nothing about standards or showing, but gave it a try, and was addicted. I registered my prefix Leewood in 2007 and began my breeding, specialising in O gene cats. I've produced many Supremes, from the Royal Adelaide Show to the the CCCA National Show. I am dedicated to my breed and am extremely passionate about it. One of my favourite girls is featured on the CCCA website as one of very few Burmese to achieve her CCCA National Show title. In 2021 I exported my first Burmese to the USA, where she achieved her Grand Championship status.

I began working at shows early on, in ticket rooms, kitchens, clerking then stewarding, running shows, serving on the FASA Management Committee, and club committees. I'm an active member of the FASA Judges Forum, where Breeds and Standards issues are addressed.

I began my judging journey in 2015, and in 2022 I completed probation to become a fully qualified CCCA All breeds Judge. I've judged all over Australia and in New Zealand.

The Cat Fancy is a passion of mine that I share with my kitten buyers, and I actively encourage new exhibitors to attend shows and participate in our lovely hobby.

In my 'other life' I help my husband Wayne run our horse training business WH Performance Horses, where we specialise in training and breeding elite reining horses and cow horses. My life revolves around animals, only the size of the pooper scooper varies!

LISA MCNEIL

(Feline Association of South Australia)

I grew up with Siamese, Burmese & companion cats from a very young age and was introduced to cat showing when my mother took me to cat shows, when we began showing our Lilac Tabby Pt Siamese who was our treasured and much loved pet.

In 1996 I then returned to cat showing with a Brown Burmese neuter and later a Seal Pt Siamese neuter.

In 2000 I started breeding under the 'Syana' prefix and have successfully bred and shown many Siamese & Orientals in all colours and patterns.

My special interests have been cinnamon, silver, and tabby patterns particularly classic and about 7 years ago I added bi-colours to the mix after importing a Black Tabby Bi-colour carrying cinnamon from Finland, in order to try to broaden the cinnamon lines here in Australia.

In 2009 I completed a steward's course and then through FASA in 2017 I gained my group 2 license. From there I went on to complete my group 3 license in 2019 to become an all shorthair FASA & CCCA judge.

Over the years I have been active in several cat clubs, most notably the Siamese Cat Club of SA in which I have enjoyed being the show manager of a number of successful shows.

I am very proud to be a member of FASA and CCCA and I have thoroughly enjoyed over 25 years in the cat fancy and hope I get to meet more like-minded passionate cat exhibitors in the future.
